These statements may include, without limitation, any statements preceded by, followed by or including words such as "target", "believe", "expect", "aim", "intend", "may", "anticipate", "estimate", "plan", "project", "will", "can have", "likely", "should", "would", "could" and any other words and terms of similar meaning or the negative thereof. These statements reflect beliefs of the Directors (including based on their expectations arising from pursuit of the Group's strategy) as well as assumptions made by the Directors and information currently available to the Group. Although the Directors consider that these beliefs and assumptions are reasonable, by their nature, these forward-looking statements are subject to risks, uncertainties and assumptions about the Company and its subsidiaries and its investments, including, among other things, the development of its business, trends in its operating environment, developments relating to the Covid-19 pandemic, and future capital expenditures and acquisitions.

In addition, this announcement contains information concerning the Group's industry and its market and business segments generally, which is forward-looking in nature and is based on a variety of assumptions regarding the ways in which the industry, and the Group's market and business segments, will develop. These assumptions are based on information currently available to the Group. If any one or more of these assumptions turn out to be incorrect, actual market results may differ from those predicted. Past performance cannot be relied upon as a guide to future performance and should not be taken as a representation that trends or activities underlying past performance will continue in the future, and actual events or conditions are unlikely to be consistent with, and may differ significantly from, those assumed. In light of these risks, uncertainties and assumptions, the events in the forward-looking statements may not occur. No representation or warranty is made that any forward-looking statement will come to pass. No one undertakes to update, supplement, amend or revise any forward-looking statements, whether as a result of new information, future developments or otherwise, except as required by law. You are therefore cautioned not to place any undue reliance on forward-looking statements.

The Registration Document mentioned in this announcement may be combined with a securities note and summary to form a prospectus in accordance with the Prospectus Rules. A prospectus is required before an issuer can offer transferable securities to the public or request the admission of transferable securities to trading on a regulated market. However, the Registration Document referred to in this announcement does not constitute an offer or invitation to sell or issue, or a solicitation of an offer or invitation to purchase or subscribe for, any securities in the Company in any jurisdiction, nor shall the Registration Document alone (or any part of it), or the fact of its distribution, form the basis of, or be relied upon in connection with, or act as any inducement to enter into, any contract or commitment whatsoever with respect to any offer or otherwise.

Any subscription or purchase of Shares in the possible Offer should be made solely on the basis of information contained in the Prospectus which may be issued by the Company in connection with the Offer. The information in this announcement is subject to change. Before subscribing for or purchasing any Shares, persons viewing this announcement should ensure that they fully understand and accept the risks which will be set out in the Prospectus, if published. No reliance may be placed for any purpose on the information contained in this announcement or its accuracy or completeness. Neither this announcement, nor anything contained in the Registration Document, shall constitute, or form part of, any offer or invitation to sell or issue, or any solicitation of any offer to acquire, whether by subscription or purchase, any Shares or any other securities, nor shall it (or any part of it), or the fact of its distribution, form the basis of, or be relied on in connection with, or act as any inducement to enter into, any contract or commitment whatsoever.

The Company may decide not to go ahead with the possible Offer and there is therefore no guarantee that a Prospectus will be published, the Offer will be made or Admission will occur. Persons considering making investments should consult an authorised person specialising in advising on such investments. Neither this announcement, nor the Registration Document, constitutes a recommendation concerning a possible offer. The value of the Shares can decrease as well as increase. Potential investors should consult a professional advisor as to the suitability of a possible offer for the person concerned.

Nothing contained herein constitutes or should be construed as (i) investment, tax, financial, accounting or legal advice; (ii) a representation that any investment or strategy is suitable or appropriate to your individual circumstances; or (iii) a personal recommendation to you.

None of the Banks nor any of their respective affiliates and/or any of their or their affiliates' directors, officers, employees, partners, advisers and/or agents accepts any responsibility or liability whatsoever for, or makes any representation or warranty, express or implied, as to, the truth, accuracy or completeness of the information in this announcement (or whether any information has been omitted from the announcement) and/or any other information relating to the Company and/or its associated companies, whether written, oral or in a visual or electronic form, and howsoever transmitted or made available, or for any loss howsoever arising from any use of the announcement or its contents or otherwise arising in connection therewith.
